Peter called the meeting to order at 3:00 PM.

Jeff handed out his first treasure's report which is here by made a part of these minutes. He has been in touch with the IRS and we have been assigned an agent who will get back to Jeff so a payment schedule can be established.. once done it will finalize the amount we owe including any penalties.

Mike moved and Jeff seconded that we put this information on our web site after each of our regular meetings. Motion passed unanimously.

It was also decided that when we draw up the contracts for the towns that we will require quarterly payments

Mike reported that this is the first week of 7 days @ 10 hours for transports.

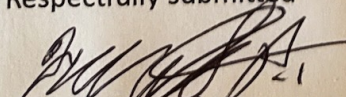

He also read a letter from Dochester stating that Plymouth will now be providing their ambulance service. However will still be called for mutual aid and only be able to bill the patient.

The Board decided to wait and see what action the Town of Piermont chooses before we seek alternative actions.

Some ideas for fund raises were discussed but no action taken.

Next meeting will be 3-10-25 at 3:00PM at K P Hall in Warren

Respectfully submitted
